Inspector General Advisory Bulletin

Advisory Bulletin 2.1: Board and Committee Meetings

Date of issue: September 25, 2025

What you need to know

Police service boards and OPP detachment boards conduct their business and make deliberations, considerations, and decisions in meetings. The *Community Safety and Policing Act* (CSPA) sets out requirements for meetings held by boards and their committees, and establishes a modern approach premised on public transparency of board business as the 'rule,' with requirements for a board to publicly explain when meetings are closed to the public.

"Meeting" Definition

The CSPA does not define "meeting" for determining when compliance with meeting requirements is necessary. Using subsection 238(1) of the *Municipal Act* for guidance, boards should consider a meeting to be any regular, special, or other gathering of a board or committee where:

- a quorum of members is present, and
- members discuss or otherwise deal with any matter in a way that materially advances the business or decision-making of the board or committee.

Social or informal gatherings of board members would not be board meetings unless the two-part test described is met. Board members should be vigilant when a quorum is present at gatherings to avoid holding unintended meetings.

Meeting Notice – CSPA subsections 43(5)-(7)

Boards and committees must publish notice of meetings that are open to the public on the Internet. The notice must:

- be published at least seven days before the meeting, except in extraordinary circumstances (CSPA subsection 43(5)-(6)); and,
- include the proposed agenda and either the record of the most recent public meeting or information on how the public can access that record (CSPA subsection 43(7)).

Electronic meeting notices must include specific information about how to access the meeting.¹

Transparency and Open Meetings – CSPA subsection 43(3)

Meetings conducted by boards and their committees must be open to the public subject to decisions to close meetings or parts of meetings when permitted by subsection 44(2).

The purpose of the CSPA open meeting rule is to increase the open and transparent exercise of board authority and discharge of duties so as to enhance public confidence in the operation and integrity of boards, and by extension the policing they oversee.

Boards and committees should consider public access when deciding on meeting locations. Holding a “public” meeting within a secure police facility or at a non-published location may not always meet the test of “open to the public”². In addition, the use of electronic meetings presents additional challenges to ensure meetings are publicly open.

Closed Meetings – CSPA subsections 44(2)-(6)

Boards and committees may (not must) close meetings to the public if the subject matter being considered is:

- the security of the property of the board;
- personal matters about an identifiable individual, including members of the police service or any other employees of the board;
- information that section 8 of the *Municipal Freedom of Information and Protection of Privacy Act* would authorize a refusal to disclose if it were contained in a record (a “law enforcement” matter);
- a proposed or pending acquisition or disposition of land by the board;
- labour relations or employee negotiations;
- litigation or potential litigation affecting the board, including matters before administrative tribunals;
- advice that would be inadmissible in a court by reason of any privilege under the law of evidence, including communications necessary for that purpose;
- information explicitly supplied in confidence to the board by Canada, a province or territory or a Crown agency of any of them, a municipality or a First Nation;
- a trade secret or scientific, technical, commercial, financial or labour relations information, supplied in confidence to the board, which, if disclosed, could reasonably be expected to prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organization;
- a trade secret or scientific, technical, commercial or financial information that belongs to the board and has monetary value or potential monetary value;

¹ [Ombudsman Investigation Report – Municipality of West Elgin December 2024](#)

² [Ombudsman Investigation Report – Township of Woolwich June 2015](#)

- a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the board; or,
- an ongoing investigation respecting the board.

Boards should note the discretionary nature of decisions to exclude the public when considering the above subjects. When making these decisions, boards and committees should balance the principles of transparency and public interest against the potential harm of disclosure.

Meetings must be closed to the public by police service boards and their committees if the subject matter being considered is a request under the *Municipal Freedom of Information and Protection of Privacy Act* (CSPA subsection.44(3)).

Board and committee meetings may also be closed to the public if held for the purpose of educating or training members and the business or decision-making of the board is not materially advanced in the meeting (CSPA subsection.44(6)).

The CSPA open and closed meeting rules for boards and committees very closely follow, with some modifications, the rules for municipal councils, committees, and local boards under Ontario's *Municipal Act*. The Ontario Ombudsman has been examining open meeting matters under that Act since 2008 and has published guidance that the loP believes will assist police service boards, OPP detachment boards and their committees when making decisions on the CSPA open and closed meeting rules and practices. The Ontario Ombudsman guidance document is available here: [Open Meetings - Guide for Municipalities | Ombudsman Ontario](#)

Agenda Considerations – CSPA subsection 44(1)

Before holding a meeting, boards and committees must consider whether to close the meeting or part of the meeting having regard to subsections 44(2)-(3) of the CSPA, referenced above, which list subjects that either permit or require the exclusion of the public.

Resolution Closing Meeting – CSPA subsection 44(1)

If a board or committee decides to exclude the public, they must state by resolution the fact the board is holding a closed meeting, and the general nature of the matter to be considered. In addition, if the public is excluded from a meeting held for educating or training board or committee members, the resolution must specifically state that the meeting is closed under subsection 44(6).

In addition to the CSPA requirement for educational and training meetings, the loP recommends that closed meeting resolutions cite the specific CSPA authority for excluding the public in all instances. The loP further recommends that resolutions have sufficient detail of the closed matter to assure the public that the power to close the meeting is being responsibly exercised. Finally, to support transparency, the required resolution must be made in a meeting or part of a meeting that is open to the public.

Board Delegation and Committees – CSPA subsections 42(1)-(4)

Boards may delegate any of their powers to a committee established by by-law of the board. The by-law may govern the name, powers, duties, and quorums of the committee. The by-law should also govern the composition of the committee and member appointment process.

Committees must be composed of at least two members of the board, except if the only delegated power is bargaining under Part XIII of the CSPA. A bargaining committee can be composed of one board member. Additional non-board members may be appointed to the committee as long as a majority of the committee is composed of members of the board.

Quorum – CSPA subsection 43(2)

Boards and committees must have a quorum present to hold a meeting to conduct business and make decisions. Quorum is a majority of the members of the board.

Vacancies on a board do not reduce meeting quorum requirements. For example, quorum for a five-member board with two vacancies remains at three members.

Board members are not counted towards quorum if they are prohibited from exercising the powers or performing the duties of their position because mandatory training has not been completed (CSPA subsections 35(2)-(5)).

Board members may become subject to Inspector General investigations into their conduct and directed to decline to exercise their powers or perform their duties as a member of the board pursuant to CSPA subsection 122(1). Board members who have received this direction are not counted towards quorum. If the board cannot constitute quorum as a result, the Inspector General may appoint additional members to act in their place for the duration of the investigation.

Quorum for committees is determined by boards through their by-law establishing the committee (CSPA subsection 42(2)).

Meeting Frequency – CSPA subsection 43(1)

Boards must hold at least four meetings each year. Holding meetings exceeding this minimum and the period between meetings are discretionary decisions for boards. These decisions should be based on the governance obligations and statutory responsibilities arising from the size and complexity of the governed police service or OPP detachment, and the needs of the area under the board's jurisdiction.

Record of Meeting – CSPA subsection 43(4)

Boards must record all resolutions, decisions, and other proceedings at all meetings, whether open to the public or not. The record must not include additional notes or comments by the recorder.

The IoP recommends boards, when establishing committees, include this recording requirement as a duty of the committee in the governing by-law.

What you need to do*Meeting Practice Examination and Potential Changes to Practice*

Boards should examine their meeting practices, particularly regarding holding closed meetings, in consideration of the transition from long-standing *Police Services Act* requirements to those newly established by the CSPA. Where needed, adjustments should be made to come into compliance.

Boards should have any changes in meeting practices reflected in their established rules and procedures (CSPA section 46).

The new requirement for a resolution to close meetings will require some boards to change their existing practice of holding two distinct consecutive meetings – open and closed – with the closed meeting entirely excluding the public. Through its monitoring function, the IoP has observed that boards who have successfully transitioned meeting practices to the new requirements have adopted one of two options, both of which are CSPA-compliant:

- Two distinct consecutive meetings: Open meeting is entirely public and ends with adjournment. The closed meeting starts with an open part for routine administrative matters (opening statements, declarations of interest) followed by a resolution compliant with CSPA subsection 44(1). The closed portion ends with a resolution to return to public. The closed meeting ends in public with adjournment.
- A single meeting that is partly open and partly closed: The open part is closed by resolution compliant with CSPA subsection 44(1). The closed portion ends by resolution to return to the open meeting. The meeting continues in public until adjournment.

Emergency and Special Meetings

A board may be required to hold an emergency or special meeting outside of its regularly scheduled meetings. IoP Advisors have the authority to enter board meetings for compliance monitoring, including those closed to the public, pursuant to CSPA subsection 115(7). Boards should **notify their assigned Police Services Advisor for all emergency and special meetings whether open to the public or closed so the IoP is**

aware and the Advisor can determine whether attendance is necessary in the circumstances.

What we will do

The IoP's Police Services Advisors support the Inspector General's statutory monitoring and advisory duties under the CSPA. Advisors are available to provide advice on board compliance with the CSPA meeting requirements, including suggested application of leading practices and referrals to boards that have established good practices.

Note: Advisory Bulletins are the IG's advice provided pursuant CSPA subsection 102(4) and are intended as a resource for the sector by offering the IG's general interpretation of various provisions of the CPSA. Advisory Bulletins are not legally binding, and they do not purport to address all possible factual scenarios or circumstances. As such, you may wish to consult with legal counsel to determine how this general guidance should be applied in your own local context and to navigate specific situations.

Board Report October 2025 - OPEN

Re: WPSB Capital Budget Request (2026)

The following Capital Budget requests have been identified for 2026:

1. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Renovation to Room #1124 & Room 1126**

RATIONALE:

The current Community Response Unit (CRU) office has become too small to accommodate the Unit's growth. To better support operations and collaboration, the CRU will be relocating to a larger office space that allows all members to work together in a shared environment. As part of this transition, a door will be installed between the CRU Sergeants' office and the new CRU unit office to create a more open and connected workspace.

\$7187.50

2. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Renovation to current VaSoc office (Victims Assistance of Oxford
County) Room # Old Crime Stoppers Office**

RATIONALE:

With the relocation of the Community Response Unit (CRU) office to the existing VaSoc office space, the VaSoc team will be moved to a smaller office designed to accommodate two people. To support this change, a new entrance door will be installed off the hallway near the elevator

for the VaSoc office. This adjustment will ensure the Unit continues to effectively carry out its important work supporting victims of crime and related services.

\$8750.00

3. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Renovation to current Staff Sergeant office.**

RATIONALE:

With the continued expansion of both sworn and civilian members within the Woodstock Police Service (WPS), the need for additional office space has become essential. To accommodate this growth, the existing Staff Sergeant's office will be divided by installing a wall, creating a new office space for a Sergeant.

\$3500.00

4. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Renovation to Administration area.**

RATIONALE:

The printer/photocopy/storage room as a new office for our 2nd HR position. Cabinets off the wall, new paint and carpet.

\$2000.00

5. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Front Office renovation**

RATIONALE:

The front entrance area of the Police Service currently contains four desks arranged in a row. This layout has become overcrowded, making it difficult for employees to work efficiently and comfortably. Additionally, the space does not adequately support interactions with members of the public, such as those waiting for vulnerable sector fingerprinting or speaking with officers. To better meet operational needs and improve public service, this area should be redesigned to

provide a more functional and comfortable workspace for staff, while also creating a more welcoming and accessible environment for visitors.

\$46,330.00

6. New Item for 2026

City New Buildings, Repairs and Maintenance Police Station – HVAC System

RATIONALE:

There are numerous concerns with our HVAC system in our building, which was not replaced during the 2018 renovation and addition project. Despite the expansion, the existing HVAC infrastructure remains outdated and incompatible with newer systems, leading to significant and ongoing issues.

Key Issues:

- **Health & Safety Complaints:** Numerous complaints have been received from staff regarding temperature extremes and poor air quality. These conditions pose health risks and negatively impact morale and productivity.
- **Temperature Control Failures:** The building is consistently too cold in the winter and excessively warm and humid in the summer. The system lacks adequate controls to maintain a comfortable and safe environment.
- **System Incompatibility:** The old and new HVAC components do not function in sync, resulting in inconsistent heating, cooling, and ventilation throughout the building.
- **Temporary Measures:** We have resorted to purchasing multiple small heaters to keep staff warm during colder months, which is neither sustainable nor energy-efficient.

Request for Action:

We respectfully request a comprehensive assessment of the HVAC system and a plan for replacement or upgrade to ensure proper climate control, energy efficiency, and compliance with health and safety standards.

\$7,000

7. New Item for 2026

City New Buildings, Repairs and Maintenance Police Station – Request for Electrical Panel Labeling

Due to recent power issues throughout the building, we have identified a significant concern regarding the labeling—or lack thereof—of various fuse panels. While our current custodian has been with WPS for many years and has developed a working knowledge of these panels through experience, this informal system poses a serious risk moving forward.

To ensure safety, efficiency, and compliance, we are requesting that a qualified electrical company be contracted to inspect and properly label all fuse panels throughout the building.

\$10,000

8. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Request for Portable Radios**

Due to the growing number of officers and the expansion of specialized units, the immediate need for additional portable radios has become critical. These radios are essential for maintaining clear, reliable communication in dynamic and potentially dangerous situations, directly impacting officer safety and operational effectiveness. The high cost of portable radios reflects their advanced technology, durability, and secure communication capabilities, which are vital for law enforcement. Without sufficient radios, officers may face delays in response, reduced situational awareness, and increased risk during emergencies.

While the cost of portable radios may seem high, it reflects the advanced technology required for secure, reliable, and durable performance in the field. Investing in more units is not a discretionary expense. It is a critical infrastructure need that supports public safety, protects our personnel, and ensures our department can meet the demands of modern policing.

\$156,000

9. New Item for 2026

**City New Buildings, Repairs and Maintenance
Police Station – Loading Dock Stairs**

Form a new concrete ramp with railing. The current platform has no use and only serves as an obstruction in the parking lot which is already low on spacing.

\$16,906.87

TOTAL NEW 2026 PROJECTS: \$257,673.50

Recommendations:

- 1. That the Board approve the Woodstock Police Service 2026 Capital Budget outlined in #1 to #9 above in the amount of \$257,673.50 to make these much-needed renovations and purchases at 615 Dundas St., Woodstock.**

Chief of Police

September 29, 2025

Attn: Woodstock Police Services Board

I am writing you today to request the outlined and attached changes be made to BY-LAW 07-2024 at the earliest convenience.

Attached herein a "modified" copy of the existing BY-LAW 07-2024 that outlines the specific changes sought:

Pages 1-3 you will see a yellow highlighted spot with "USB". I wish to make the change from DVD/CD to USB for a more efficient way to release records. Not all applicants have a CD or DVD player to review release records.

Page 6 reflects the same DVD/CD to USB request.

Page 6 under item: is the addition of body worn camera footage and photos to Freedom of Information. There is an additional "photos invoice" that can speak to the existing photo release breakdown that I do not wish to alter. Just to add to.

Page 7, schedule A reflects the DVD/CD change to USB **32GB**, BWC or photos exceeding this 32GB will be subject to another cost of USB.

The raised cost for mailing to the set fee of \$15.00 (with the reoccurring need to purolate release records/USBs). Also adding HST to the fee statement.

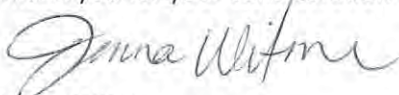

Page 8, schedule b is the same changes as page 7

Page 9 (ADDED PAGE) is the fee for service, which is specific to photographs and the cost per photograph. Only change is DVD/CD to USB.

Page 10 schedule c, the removal of field sketch and Drone imaging. Field sketches are rarely done and if they are they aren't considered "traffic field sketch" due to the ratios and measurements not being completed for the same. Drone imaging forms part of photos and Freedom of Information.

Page 11 no changes (shows small table of context for changes requested)

Thank you for your consideration in these modifications.

WOODSTOCK POLICE SERVICE BOARD

BY-LAW 07-2024

A by-law to recover fees for Woodstock Police Service Reports, motor vehicle collisions/reconstructions, police record checks, fingerprints, DVD/CDs, including human resource time and related expenses. **USB**

1. PREAMBLE

Preamble

- 1.1 WHEREAS the Woodstock Police Service Board is responsible for the provision of adequate and effective police services in the municipality pursuant to section 38(1)(b) of the *Community Safety and Policing Act*; and
- 1.2 AND whereas section 38(2) of the *CSPA* provides that a Police Service Board may establish policies respecting matters related to the Police Service or the provisions of policing;
- 1.3 WHEREAS the Board seeks to recover part of the costs of providing reports which are the property of the Woodstock Police Service; and
- 1.4 WHEREAS pursuant to section 391 of the *Municipal Act*, the Board, being a local Board as defined in section 1 of the *Municipal Act*, is authorized to pass by-laws imposing fees or charges on any class of persons, services and activities provided by and done on behalf of the Board; and
- 1.5 WHEREAS it is the responsibility of the Chief of Police of the Woodstock Police Service, in their capacity as Chief law enforcement officer to administer the policing services of the City of Woodstock in accordance with the policies and regulations as approved and established by the Woodstock Police Service Board.

2. INTERPRETATIONS

For the purposes of this by-law:

- Definitions* 2.1 “*Board*” means the Woodstock Police Service Board;
- 2.2 “*Service*” means the Woodstock Police Service;
- 2.3 “*City*” means the City of Woodstock;
- 2.4 “*Record*” means any record of information, however recorded, whether in printed form by electronic means or otherwise.

3. APPLICATION

- Schedule for Recoverable Fees* 3.1 That the attached Appendix “A” and subsequent Schedules attached thereto be adopted as the schedule for recoverable fees for requests for Woodstock Police Service reports including, but not limited to, motor vehicle collision reports, collision reconstruction reports, general Woodstock Police Service reports on incidents, criminal record checks, DVD/CDs, Alarms, paid duty requests, including related human resource time, photocopying, and shipping expenses.
- Requests for Reports/Fees* 3.2 All requests for reports will be in writing or on an approved Woodstock Police Service form. Except for exigent circumstances all applicable fees will be collected prior to release of the reports or other documents. These fees will not be applied if, at the decision of the Chief of Police, the information is being shared with another Enforcement or Investigative Agency.

4. ENACTMENT

- Repeal* 4.1 All previous by-laws, sections of by-laws, and procedural policies of the Board that are inconsistent with the provisions of this by-law are hereby repealed.
- Effective Date* 4.2 This by-law shall come into effect on the date of its enactment.

ENACTED AND PASSED THIS 9th day of September 2024.
